Ocean Network Express Pte. Ltd.

## **ONE is awarded the ISO 14001:2015 certification by ClassNK**

Ocean Network Express (“ONE”) has been awarded the International Organization for Standardization (ISO) 14001:2015 certification by ClassNK. The certificate delivering ceremony held on 5<sup>th</sup> November 2018 at ONE (Marina One East Tower, Singapore). This internationally-recognised certification demonstrates that ONE’s Environmental Management System has met the global best practices and the company’s commitment to reduce its impact on the environment.

ONE’s CEO, Jeremy Nixon, who has also recently signed the Global Maritime Forum’s “Call to Action for Decarbonization” said, “The achievement of this certificate marks an important milestone on our environmental roadmap. As ONE, all employees will continue to demonstrate our devotion and make improvement to our environmental system in carrying out the day-to-day operations.”
